2016

February

We are closed on Good Friday 25th of March and Easter Monday 28th of March.

This year we are planning to upgrade our kitchen. This month we started to plan and get quotes. At the end of last year we received some very generous donations towards the kitchen renovation. Every little donation counts. We are all very excited and looking forward to using our new kitchen.

After the holidays everybody is happy to be back to a normal routine.

Our motto: Active Body- Active Mind.
"Lift up your arms and hold ...hold ...and down....again."

Summertime means we are spending as much time as possible outside. Everybody needs the sunshine, fresh air and walking. Our favourite places are Otari-Wilton's Bush, and the Botanical Gardens. The Rose Gardens are absolutely amazing.

A memory from December:- We organised a Hungarian dance performance with music and singing by professional performers in original folk costume. Everybody enjoyed their performance, and asked for similar programs in the future.

The best and most beautiful things in the world cannot be seen or even touched—they must be felt with the heart.

Valentine's Day on Sunday 14th February

Happy Valentine's Day

These flowers are just blossoming now. The colourful blooms makes people happy and relaxed.

Warm Regards from the Marsden Club
