

Marsden Club

NEWSLETTER

2018

**The next
Public
Holiday is
ANZAC DAY
Wednesday
25th of April.
We will be
closed.**

We love to be here

In March our focus was Easter. Everybody enjoyed making cards or Easter decorations. Some Easter activities included chocolate too! All our members were happy to take their creations and happy memories home.

This photo shows a very colourful mobile - it was the latest project in our wood work therapist's sessions.

Our gardens had a good weed and tidy-up on 17th of March by Member families and a group from the Karori Rotary Club. The Autumn Garden Clean Up event was great. Our gardens look clean and tidy. Thank you for your help, we appreciate your time and effort!

On **Friday 27th of April** we are organising an informal meeting for our member's carers and families here at the Marsden Club. Topic: Activities at Home.

**Join our
meetup**

Register your interest via phone or email by 23rd April. We can also decide on who we should invite as a speaker to the next Meetup events.

**New Activity from
March: Tai Chi
program with
Janet. This gentle
form of exercise
can help maintain
strength, flexibility,
and balance.**

**Update on
our mini
gardens: The
plants are
ready to go
outside into
the garden.
We are all
excited at
their
development**
