2017

December
Dec6wpg1

Our last day for 2017 is Wednesday 20th December. We re-open on Monday 8th January 2018. Have a Merry Christmas and a happy holiday. We will see you next year.

The Christmas lunch was on Friday 1st December at the Petone Working Men's Club. This event was great, and very enjoyable. We only had smiley happy faces. Besides the live music and singalongs an unexpected visitor surprised everyone - Santa Claus with a chocolate Santa for all our guests. Thank you for all your support and help.

At the end of last month we started to focus on Christmas activities. All our members have made and taken home some beautiful Christmas cards for their families. The next activities in December will be making Christmas decorations. These activities are the highlight of the year.

I took this photo at one of our art therapy sessions with Emma. The task was very interesting and also challenging. The members made a mirror image of their painting by folding the paper in half. The outcome was very fascinating. All members enjoyed this new approach to art.

In November we have had another school visit as a part of our ongoing school program. Besides interesting indoor mind teasing activities we took some activities outdoors like ballgames and other competitions. The nice weather supported these activities and made them more enjoyable.

In the natural environment around us all the plants and trees are blooming and growing. Enjoy the summer, sun, and fresh air. Take care and be safe these holidays.

We love to be here

Warm Regards from the Marsden Club
