ANNUAL GENERAL MEETING

Our **Annual General Meeting** will be held on Wednesday 18th of July 6pm at the Marsden Club, 11 Newcombe Crescent, Karori. Everyone is welcome.

A huge thank you to NZ Pacific Lodge No.2 and the St Joans Trust for their generous donations which enabled us to purchase six specialised chairs for our member's lounge. They are super comfortable & look great. Everybody is very happy to use them.

Thank you to GOOD in the HOOD and the public for voting for us at Crofton Downs. They raised \$1162.40 for the Marsden Club.

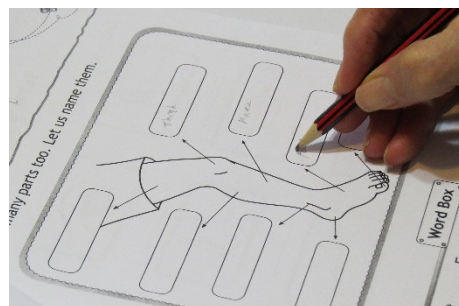

Thank you

Winter is here, so we have started to focus on this season in our art sessions. Drawing or colouring on white or black papers is always an enjoyable and creative activity for everyone.

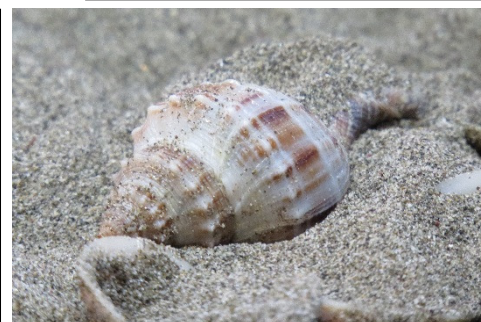

Using pastels on black paper creates an outstanding project as it highlights the colours even more.

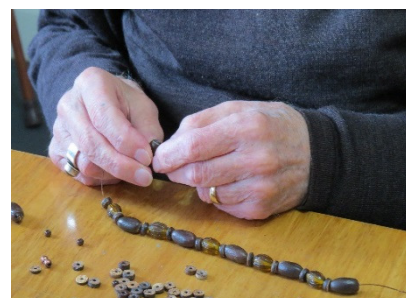

Besides fun activities we made time to refresh our knowledge in other areas.

At one of our Art Therapy sessions, Emma provided a complex beach experience with art work for our Members. She brought sand, shells, driftwood and tools to utilise in various creations in individual sandboxes. She also showed us a selection of seaweed to remind us of the seaside. During the session she played sea wave sounds in the background for us. The final project was to use glue and sand to create a beach scene on paper. This experience was extraordinary!

We love to be here

Another new activity this month was making jewellery with beads. Besides the ladies some gentlemen were interested to surprise their loved ones with a handmade creation.
