2016

March
WISCP

We are closed on Good Friday 25th of March and Easter Monday 28th of March.

Update on our kitchen's renovation plan: A few companies have visited and provided quotes.

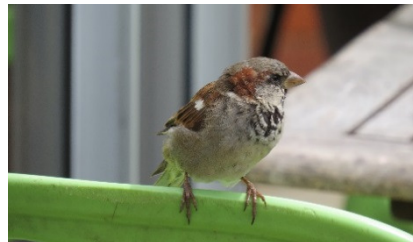

At the end of February members from the Redwood Club visited us. Everybody enjoyed a nice afternoon tea, and Andrea's beautiful music with a singalong.

We celebrate everybody's birthday. It is a happy moment to open presents for everyone.

On the summery days we organised activities in our garden. Our members enjoyed fun activities and brainteasers in the breeze.

We keep visiting our favourite places. Walking and sitting in different parts of the Botanical Gardens make it a pleasant and relaxing outings.

We can see these little friends at the places we visit: Pukeko on Makara farmlands, Tui in Wilton Bush, Sparrows....everywhere.

In this delightful summer we have enjoyed warm sunny days and also nature's flowers and fruits.

We
Love
Summer

Warm Regards from the Marsden Club
