2017

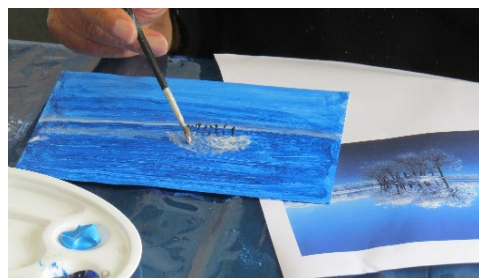

September
26/16/17

We were invited to Sprott House for an Indoor Bowls game with afternoon tea again. The competition was very exciting. We won this time! We look forward to going back again soon. Everybody enjoyed this activity with another group.

Thank you to
COGS for a grant
of \$1,000 for
volunteer
expenses.

COGS
Community Organisation
Grants Scheme

Activities for August:
Frosty, wintery
landscapes painting
or colouring art
sessions.

Every second
Friday we
have David
one of our
volunteers to
play music
and familiar
singalongs.

We have organised
two visits combining
activity programmes
with a class from
Karori West Normal
School. Everyone has
had positive
experiences and fun
at these events by
bringing these two
age groups together.
The School's aim is
for the children to
increase their level of
respect, empathy and
care towards elderly
people.

On cold, rainy days
some of our
members are
happy to stay back
after lunch to
enjoy armchair
travelling or other
entertaining DVDs.

We have had issues
with our member's
jackets and coats
left behind as they
are not labelled.
Please help us by
labelling our
member's
belongings.

We have had lots of
rainy and windy days
in August, but this
unpleasant weather
has not held back the
spring flowers to
bloom and brighten up
our grey days.

We
love
to be
here

Warm Regards from the Marsden Club
